

Please make sure any player under 18 has a waiver signed by a parent

You can get more information about TNT Paintball and the sport of paintball at www.tntpaintball.com

We will meet at: TNT Other

Cake/snacks will be served: Yes No

Food will be served: Yes No

Notes:

RSVP:

Times:

Date:

Event:

TNT Paintball is located in Metchosin close to Matheson Lake Park and Pedder Bay Marina at 4590 East Sooke Rd.

*** Caution ***

If using one of the online map searches, make sure that it is **East Sooke Rd.** they have shown and not Sooke Rd. Many of the maps have the address pointing to Sooke Rd, which is incorrect. We are right across the street from Speyside Lane on **East Sooke Rd.**

From Victoria, Langford, Colwood:

Take Happy Valley Rd to Rocky Pt. Rd.
Follow Rocky Pt. Rd to end where it turns into East Sooke Rd. (at Rocky Pt. Ammo Depot).
About 500 meters along East Sooke Rd., watch closely for a sign saying "TNT Paintball". Head up the paved driveway...you are about to have one of the most memorable days of your life.

From Sooke:

Take Gillespie Rd (by 17 Mile House) and follow all the way to end. Turn left onto Ease Sooke Rd.
Approximately 7 km. down East Sooke Rd, watch closely for a sign saying "TNT Paintball". Head up the paved driveway...you are about to have one of the most memorable days of your life.

Road address: 4590 East Sook Rd.
Tel: 250-658-1177

We play rain or shine at TNT Paintball. We have covered shelters for between games and most of our fields have a heavy canopy of trees and/or buildings. On very rare occasions over the years, we have had to shut down the field due to snowfall making driveways and roads impassible.

What About the Weather?

Yes the paint washes out, but please remember that you are playing outdoors and you will probably get a little dirty by kneeling on the ground and such, so it may not be a good idea to wear your Sunday Best. If you are transporting kids, remember that they will probably be going home dirtier than when they arrived, so you might want to consider a change of clothes or something to cover your car seats with.

Does the Paint Wash Out?

TNT Paintball will provide you with a protective mask that will cover your entire face and around your ears as well as a camouflage anorak type top. You just need to wear loose full length pants and sturdy footwear. Gloves of some sort are a good idea as well.

What Should I Wear?

No. Well maybe just a little. A paintball is made with a relatively soft gel capsule much like an Advil caplet or bath bead filled with a combination of vegetable oil and food colouring. When shot from a paintball marker at 280 feet per second or less and when hit, it may sting for a second, much like being snapped with a towel or a rubber band. But with the adrenaline and excitement you will be experiencing, you may not even feel it. Depending on where you are hit, it may leave a small mark that will disappear in a day or so. This can be eliminated or minimized by wearing proper clothing.

Does it Hurt?
